

Hi,

I am writing to express my interest in the Site Supervisor position at BMD. With hands-on experience across residential and commercial projects in Melbourne, I offer strong capabilities in site supervision, subcontractor coordination and WHS compliance.

In my current role as a Site Supervisor at Build Urban, I oversee daily site operations, supervise teams and ensure projects are delivered safely, efficiently and in accordance with drawings and specifications. My previous experience in laboring and plant supervision has further strengthened my knowledge of construction processes, site logistics and quality control.

I hold multiple High-Risk Work Licenses and am currently pursuing a Diploma of Building and Construction.

I look forward to the opportunity to contribute to your team.

Kind regards,

Mayank Sodhi
